Dear Plyvine Catering,

Re: 40th Anniversary – Brierley Hill Methodist Church

I have been tasked by all those who attended the above function on Saturday evening to say 'thank you' for making our evening a huge success. The food was exceptional and the staff were fantastic. It has been a huge talking point over the last few days. We were impressed with your professionalism and friendliness; nothing was ever too much trouble for the staff.

We had heard good reports of Plyvine and are pleased to say we were not disappointed and can only add ours to them. Many thanks once again for being a big part of our celebratory weekend. We would not hesitate to use you again in the future.

With our sincere best wishes

Yours sincerely,

Mrs Elaine Panchal
On behalf of Brierley Hill Methodist Church
