For the attention of Sam

Dear Sirs,

Saturday 10th July 2010 - Lunch Worcester Guildhall Assembly Room

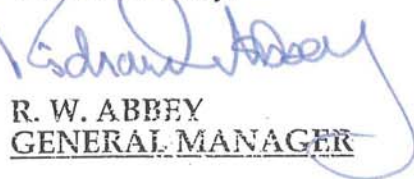

On behalf of the Society, I should like to thank all those members of staff involved with our lunch at the Guildhall last Saturday.

Despite Network Rail's best endeavours, delaying our departure from Paddington, which resulted in arriving over an hour late, all the staff were still smiling and put on a very slick operation to ensure that we were not late for our return coaches to Shrub Hill Station. The food was excellent, hot and not dried out/over-cooked, despite our late arrival, with more than enough to satisfy the hungry members, some of whom had been on the go since 4.00 a.m.!

Please let me have your account and I will pass this on to our treasurer for settlement straight away.

Once again, thank you very much indeed for looking after us so "royally".

Yours faithfully,

R. W. ABBEY
GENERAL MANAGER
