Dear Stuart

**Re: Belbroughton C of E Primary Summer Ball 2006**

On behalf of the Committee for our Summer Ball, I would like to say how pleased we were with how smoothly the event ran and that we would certainly ask you to assist with any future events we may run at the school.

You may be interested to know that we raised over £5000 for the school in addition to the £750 we donated to Sunfield Childrens Home.

Yours sincerely
