Dear Stuart.

Merv & I would just like to thank you and your excellent staff for the large contribution you made to our memorable day 11th April. There were so many wonderful comments about the food, it was just fantastic.

Your services were excellent and your team were a credit to you, not forgetting young Sam in the office who was so helpful and patient with me.

Suffice to say you would come highly recommended from us to any person who enquired of your services.

Yours Sincerely

G Ramsden
