Dear *Stuart*

May week-end Events

May I take this opportunity to thank you for your help over the week-end; the food and service was superb, bringing that extra quality to the proceedings.

The week-end was the largest function ever held at the Club and the efforts of your team made a major contribution to the success of the whole of the week-end

Everyone I have spoken to thoroughly enjoyed themselves at each of the events and commented very favourably on the quality of the both the food and the service.

Could I ask if you would extend my thanks to your staff for all their effort.

Many thanks once again.

Yours sincerely
